What is The Darcy Street Project?

Darcy Street Project is a humanitarian project disguised as a café.

Our Purpose:

Is to help disadvantaged people into employment and education

Our Mission:

Is to improve the earth and peoples lives through a spirit of generosity and hospitality.

Our Vision:

Is to be part of the solution to daily challenges for the benefit of humankind.

What makes our training different?

You learn from real baristas working in the industry and our program combines 20+ years of industry knowledge.

We are a Social Enterprise meaning we love helping anyone that faces barriers to employment.

I need a job ASAP, how will the class help me get there?

The training we offer is relevant and up to date with current industry trends.

If you are serious about getting a barista job then complete Levels 1-3 which combines theory, practical and real life experience on the job, not in a classroom.

How do I sign up or refer someone I know?

Email admin@darcystproject.com.au and we will be in touch with upcoming classes.

Discounts apply for group bookings and when you bring a friend.
